Turkish Official Gazette published on Wednesday the decision to amend the executive regulations on the application of the Nationality Law, in several ways. The amendment's decision included conditions for which any person who fulfills any of them will be entitled to apply for Turkish citizenship. The conditions are as follows:

From 1th. May 2022: Buying a property worth **400 thousand US dollars** at least instead of one million dollars in the previous decision and not sell it for three years.

Fixed investment of not less than 500 thousand US dollars. Providing job opportunities for at least 50 Turkish citizens instead of 100 citizens.

Reducing the deposit requirement in Turkish banks from 3 million US dollars to 500 thousand US dollars.

Over us you can apply for the Citizenship.
The Turkey process takes over us 30 - 60 days.

Turkey is a country in Eastern Europe

The beautiful Turkey

Turkey is not an EU candidate country. It will probably never come to EU membership, the same as with Moldova. But, we have many inquiries from Muslim customers looking for a Muslim state to start over there.

Furthermore, we have problems with nationalities such as Iran, Iraq, Yemen, Afghanistan and others, which are not accepted by many countries. Turkey is open to these nationalities.

As a country with ever-growing potential, it offers various beneficial investment opportunities.
